

SPENCER TOWNSHIP

630 NORTH MEILKE ROAD HOLLAND OHIO 43528

419.865.2883 www.spencertownship.org

“2019 Dumpster Days” are on May 3rd and 4th at the Spencer Township Hall located at 630 North Meilke Road in Holland Ohio. For more details regarding seasonal services provided by the township, please visit our website at www.spencertownship.org. You can also contact our new Road and Building Maintenance employee, Tim Bowes, at 419-690-2323.

We also invite you to join the Spencer Township Email Mailing List. You will receive a monthly report from the Township Trustees in addition to notifications of current services, meetings, events, and information of interest to our community. To subscribe, please scroll to the bottom of the home page of our website www.spencertownship.org

Notifications are also posted on the bulletin board located outside the Town Hall, and are also displayed on the marquee sign at the Fire Station located at 9445 Frankfort.

The road project which began in 2016 to repair all (ten miles) of the Township’s roads will be completed in 2020. Raab, Meilke and Whitehouse-Spencer roads will be rebuilt in 2019. Hill Avenue, Degenfelder Lane, and a remaining section of Eber Road located south of Angola will be rebuilt in 2020.

Citizens concerned about the recent failing grade of Toledo Public Schools on the State’s report card have inquired about changing the public school district in Spencer Township from Toledo Public Schools to a more highly rated neighboring school district (which would also result in a slight decrease in your taxes). Please provide your comments to the following individuals listed below to let them know if the community supports this idea.
